We know how important it is for you to maintain independence

OUTPATIENT THERAPY SERVICES

Maximizing strength, independence & quality of life

Wayne County Nursing Home & Rehab Center continues to provide quality outpatient therapy at the community level. If you are recovering from an injury, surgery or illness, you may benefit from outpatient therapy, including:

- **Physical Therapy**
- **Occupational Therapy**

Areas that therapy can address to promote independence & regain skills:

- Fall Prevention
- Balance
- Mobility
- Training in Self-Care & Home Activities
- Pain Management
- Home Safety
- Cardiopulmonary Issues
- Orthopedic Dysfunctions

Additional Details:

- Therapy participation requires physician prescription
- Services are typically covered under Medicare Part B or HMO B benefit
- Lymphedema Program now available through our outpatient physical therapy clinic

Call the therapy department today to set up an individual consultation and receive a free screening at 315-946-5673

1529 Nye Road, Lyons, NY 14489
